

****Gulf Breeze: Oil Spill Update****

May 12, 2010

72 Hour Forecast: No Oil Expected

Current trajectories favor Florida coast line through Friday

The City is pursuing purchase of a Boston Whaler or G3 with appropriate motor and trailer. Also, the City is looking to purchase a large pontoon boat or power barge for spill crew operations. Please reply to this email with contact information and specifics.

- Hazmat suits and gloves were delivered today
- City requested Best Practices Report from BP and Florida for 'Waters Edge' defense
- Developing 'Water's Edge' defensive prototype to be tested this weekend

Volunteers are needed to prepare "Prototype Oil Socks". If you are interested in helping please call 934-5115 between regular business hours and ask for Leslie.
