

****Gulf Breeze: Oil Spill Update****

May 24, 2010

72 Hour Forecast: No Oil Expected

Gulf of Mexico currents and wind conditions continue to benefit our area

The State of Florida DEP continues to project that no oil from the incident will threaten Florida waters in the next 72 hours

- Over the next few days Gulf Breeze personnel will be practicing emergency boom deployment procedures
- Last Saturday 45 residence participated in an oil safety and preparedness workshop
